

WINS FEATURE AUTO RACE

LAURENCE HUGHES, shown here with his Model A Ford, with which he speeded home ahead of the fast driving Pat Cunningham with his Galivan. Hughes, who hails from Beatrice, Neb., is one of the fastest drivers in the meet here, having won races throughout the country by his daring work on the dirt track. The races last night were faster than the opening night, and a much larger crowd was in attendance. Stock cars, including Hughes with his Chrysler 75, will feature the final event of the night races at the Stearns track, 10 miles north of Twenty-first street on Lawrence avenue, tonight.
