

A NORTHWEST VINTAGE SPEEDSTERS EVENT. JULY 30th & 31st 2011

Saturday- The annual **July Mount Baker Speedster Run** (tour). This is always a fun filled, full day of almost a 200 mile round trip, tour, full of speedster fun, fellowship and driving the wheels off of our speedsters. Come and experience for yourself the beauty of the Extreme Northwest.

Sunday- **The Don Babbitt Memorial Hot 100**. This is a speedster endurance run of up to 100 miles full of everything you come to expect of an endurance run.

As previously announced, this 2-day event is based in Mount Vernon Washington. We are not designating any one hotel. I am providing a small listing of the ones within a 3-mile radius of the starting point. (For you out-of-town folks.)

There are no entry fees for these two events. All meals and lodging, etc, are at your personal expense. With the exception of the lunch at the end of the Hot 100 (provided by the Northwest Vintage Speedsters Club).

With that being said, **you still need to register for this event.** We need to know how many to plan for! Please register ASAP, but no later than July 15th. Contact Charles Reichlin and provide your name, address, phone number, email(optional but helpful), speedster # and number of people attending.
