Each Participant whether driver or mechanic shall be required to sign a Waiver.

I understand and agree to all of the following as a condition to participating in a Northwest Vintage Speedsters Club Affiliated event:

I have at least the minimum required vehicle liability insurance in the State of Registration for any vehicle I am providing for participation in a club affiliated event. I shall not hold the Northwest Vintage Speedsters Club, its officers or general membership liable for any negligence, act, error, omission, injury, accident or action that might arise during or from my participation or any other person's participation in any Northwest Vintage Speedsters Club associated event. Northwest Vintage Speedsters Club does not and shall not assume and shall not accept any responsibility for the safety or road worthiness of my or any other participant's vehicle or for the safe driving and operation of any participant's vehicle.

Any vehicle inspection performed at or by any Northwest Vintage Speedsters Club event shall be as a courtesy only to assist the participant, and in no way shall imply any endorsement, assurance or guarantee of safety or road worthiness of any participant vehicle.

Failure to provide a safe and road worthy vehicle shall be the sole responsibility of the individual participant. No responsibility or liability whatsoever is implied by or shall be imputed to the Northwest Vintage Speedsters Club, its officers or general membership.

1. Every nut and bolt on the front end, rear end, chassis, and body is to be secured with a visible lockwasher, or cotter pin.

Especially the entire steering mechanism.

2. Model T's with wishbone connection is to be safety wired together, so neither stud can turn out.

3. Model T's with stock steering gear must have a set screw in the cover, and have tight steering with no shimmy on the front end.

4. Body must be securely bolted to the frame and seats bolted to the body or frame.

5. A fuel shut off valve at the tank and carburetor is not mandatory, but is strongly suggested.

6. A hand hold for the mechanic is also strongly suggested on open bodied cars.
