

NWVS

Hot 100

June 15/16 2024

Aberdeen / Cosmopolis

A Spring Warm-Up for cars, drivers and navigators. A route of 100 +/- miles around and through the hills, valleys and forests in SW Washington.

This is a timed event but NOT a race. The goal is to run the route, following the map, within the speed limit, finding the checkpoints and complete the route as close as possible to the target time set by the host. The team with the lowest score wins. Being late incurs a 1 point per second penalty, being early the penalty is 2 points per second. Missing a checkpoint results in a 1500 point penalty. Naturally, the target time is a secret until the event is complete.

I anticipate beginning the run at the River Run RV Park in Cosmopolis. I will have T Checkpoint sign out near the gathering area. Plan on a 10:00 AM start time on Saturday.

Accommodation Suggestions:

The River Run RV Park is at: 316 1st St, Cosmopolis, WA

The better motel in town is the Best Western Plus Aberdeen at 710 E Heron St, Aberdeen, WA

We will gather at the finish area for a lunch, socializing and results.

Sunday the 16<sup>th</sup> will be an optional tour (still being worked on) to some area sights and museums.

Please let me know if you hope to attend:
