

NWVS

**NOT** Hot 100

June 15/16 2024

Aberdeen / Cosmopolis

A Spring Warm-Up for cars, drivers and navigators. A two day tour around and through the hills, valleys and forests in SW Washington.

Due to limited turnout for the timed rally I have changed this to a 2 day weekend tour event. I'm suspecting the threat of having to host next year if you win did not encourage signups for the Hot version. 😊

Saturday will go about 100 miles on back roads with a stop at the Rose Museum (North of Aberdeen). We'll have a lunch stop in Elma and head back to the RV park for a beverage or two.

Sunday will be about 80 miles with a run through Brooklyn (not the one in NY). Lunch will be in Aberdeen followed by a visit to the Polson Museum in Hoquiam. Gathering again at the RV park for those who don't need to head home right away.

I anticipate beginning the tours at the River Run RV Park in Cosmopolis. We will have cars out and obvious at the RV Park. Plan on a 10:00 AM start time on Saturday and 9:00 on Sunday.

Accommodation Suggestions:

The River Run RV Park is at: 316 1st St, Cosmopolis, WA

The better motel in town is the Best Western Plus Aberdeen at 710 E Heron St, Aberdeen, WA

I'm expecting a great weekend and would like to know if you plan to attend.
